## CELL PHONE POLICY

It's important for students to learn to balance the responsibility of technology with the growth opportunities in front of them.

Students are encouraged to minimize having their phones during youth activities and devices are NOT permitted in SERVICE (bring your Bible), RESTROOMS. or CHANGING AREAS.

Students will be redirected to put their phones away, but it is the responsibility of the parents and students to demonstrate responsible and respectful behavior in cell phone use.

If cell phone usage is damaging and students do not comply with putting the phone away, parents will be contacted.
