Vehicle Use Policies

1. All Off Highway Vehicles (OHVs) must be registered with NEO Retreat Center before operating on NEO Retreat Center property.
2. All OHVs must be registered to a leaseholder in good standing, or a guest renting lodging from NEO Retreat Center.
3. Speed limit on the Campground is 10 miles per hour.
4. No person may operate any motor vehicle on Camp property if he/she does not possess a current driver's license. This provision applies to all OHVs.
5. All OHVs must be maintained mechanically, and operated in a safe manner, included but not limited to, observing all speed limits and signage, avoiding reckless driving, and observing maximum seating capacity.
6. OHVs are for transportation purposes, and are not to be used for activities on camp property that are reasonably understood to be recreational "off road riding".
7. Any OHV being operated after dark on camp property must have front and rear lights in proper working order.
8. All OHVs should be operated with courtesy to all campers. Care and consideration should be given for the safety of those walking, jogging, bicycling, and those in the use of mobility assistance devices.
9. All motor vehicle operators are to abide by any and all directions that are given by, NEO Retreat Center staff or board.
10. Failure to comply with Vehicle Use Policies or heed the directions given by authorized individuals may result in the loss of privileges, as it pertains to the possession, and use of any OHV on NEO Retreat Center property.
